

## HANDCRAFTED BEERS

### WORLD CLASS BEER BREWED RIGHT HERE.

BEER NAME	BEER STYLE	ABV	IBU
<b>Munich Light</b>	Munich Helles Lager	4.5%	18
Brewed for the beer hall in Helles lager style — bright, malty sweet, and barely bitter. Effervescent shine echoes golden Bavarian summers in the Alps as a crisp finish ushers in autumn's Oktoberfest with a mighty "oom-pah-pah!"			
<b>World's End</b>	New World IPA	6.8%	80
Tropical fruit aromas beckon the voyager onward as hop bitterness steadies the course. Malt sweetness flows even-keeled with the hoppy citrus zest as you're swept away in a crash of white foam. Equal parts smooth sailing and wild ride.			
<b>Double Barrel</b>	Oatmeal Stout	4.4%	24
Roasty, Toasty, Creamy, and almost sweet. Soft and complex on the tongue without teetering to sweet or bitter. Served nitrogenated for the perfect look and taste.			
<b>Peace Keeper</b>	American Wheat	5.3%	43
Bright citrus, a malty middle, and refreshing fruit twang join forces for a harmonious American wheat. Lemon, tangerine, and grapefruit aromas keep the troops happy during lazy, hazy peacetime. Ceasefire or not, our beer's the bomb!			
<b>Hop</b>	Harvest Ale	5.9%	23
This beer is a unique hybrid specialty that defies traditional categories. This is an ale with a firm malt body like that of an Oktoberfest, but with an unusually prominent hop character. Harvest Ale is finely balanced bitterness topped off with a full spicy hop flavor and distinct aroma. It is well-hopped (though not IPA well-hopped).			
<b>Greed</b>	Belgian Dubbel	6.7%	17
A malt forward belgian ale. Belgian candi syrup gives this beer rich flavors of dark fruits.			

#### Local Guest Taps

We here at Emmett's have open up our tap lines to a few select breweries for our guests to enjoy. Those listed below are only available in pint.

<b>Le Jus</b>	New England IPA	6.0%	30
From Alarmist Brewing. This New England IPA get its flavor from Mosaic and Citra hops. A bit of lactose for body and underlying sweetness. Hazy, juicy, whatever the kids use to describe this style these days.			
<b>Eugene Porter</b>	Porter	6.8%	28
From Revolution Brewing. A striking, robust porter full of warmth and chocolate malt. ... Dark chocolate malt makes this porter black as night and infuses it with its distinct intense, chocolate essence. Eugene is a robust porter named after Eugene V. Debs, an American union leader and activist who led the Pullman Railroad strike in 1894.			
<b>Hard Apple</b>	Cider	6.9%	
From 2 Fools Cider. Modern style cider made the way the English make it. Our Hard Apple has a well-balanced citrus and apple flavor. For those with more of a sweet tooth.			
<b>FOS</b>	Session Sour	4.5%	7
From Revolution Brewing. Freedom of Speech is naturally soured in the brew kettle and fermented out dry with a lower alcohol level. Our easy-drinking session sour demonstrates a clean tartness, balanced out by an assembly of ripe peach flavor. Exercise your right to refreshment.			

Some beers only available in 10oz Snifters and will be subject Premium Growler pricing
